TELSTAR'S REBELS REMAIN UNBEATEN WITH 33-0 WIN OVER MONMOUTH

Defending champion Telstar Regional High School remained unbeaten in the Mountain Valley Conference with a 33-0 victory over winless stubborn host Monmouth Academy Saturday.

Telstar now is 4-0 on the season and 13-0 over a two-year span. Monmouth slumped to 0-4.

Although the invading Rebels thoroughly dominated the first half, it was not until the second quarter before they could clinch the outcome with two touchdowns.

The smaller Monmouth team time and time again rocked Telstar runners with tackles. Two damaging errors, however, contributed to the Rebels' downfall.

Telstar broke the scoring ice early in the second period with a 44-yard march. Reserve quarterback Duffy Ellsworth's 33-yard pass to Alan Seames produced a first down on the three and two plays later Ellsworth scored on a one-yard sneak.

Gray Wight place-kicked his first of three conversions.

Telstar's second touchdown of the game resulted from a 60-yard drive. A 15-yard penalty, plus a pass by fullback Doug Brooks and back Paul Farrar, carried the Rebels to the three. Farrar scored on the drive.

The victors scored two quick touchdowns late in the third quarter. The first resulted from a fumble recovery by fullback Doug Brooks and back Paul Farrar, carried the Rebels to the three. Farrar scored on the drive.

Telstar's final touchdown came in the fourth period on a 39-yard drive. Brooks gained 29 yards on a run to give sophomore halfback Chris Olson a chance to score on a three-yard plunge.

Quarterback Peter Waterman's pass to Gary Tinkham and the running of fullback Rick Preble led Monmouth to penetrate deep into Telstar territory several times.

The summary:

Telstar 0 14 13 6-33
Monmouth 0 0 0 0-0

T-Elsworth, 1, run (Wight place kick); T-Farrar, 3, run (Wight kick); T-Blake, 15, run (Wight kick); T-Farrar, 7, run (kick); T-C. Olson, 3, run (kick).

TELSTAR J.V.'s ROMP TO 32-6 VICTORY OVER MONMOUTH

Led by the fine running of Mike Dunn, Chris Olson and David Webster the Telstar J.V.'s raced to a 32-6 decision over Monmouth and upped their record to 3-0 Monday afternoon.

In the first period Chris Olson capped a 10 play 48 yard march by going off tackle for a four yard run and the score. Olson also scored the second touchdown on a 12 yard sweep around right end with Mike Dunn scoring the two point conversion.

Jim Preble scored Monmouth's lone touchdown on a three yard sneak closing the score to 14-6 but a Duffy Ellsworth to Scot Holt touchdown pass upped the margin to 20-6 at halftime.

In the third quarter a Duffy Ellsworth to David Webster touchdown pass of ten yards increased the lead to 26-6, then Webster capped the scoring in the fourth quarter with a four yard run off right tackle.

Mike Dunn picked up 100 yards rushing on 23 carries, Chris Olson 61 yards on 26 carries and David Webster 47 yards on seven carries, which accounted for 236 of the 250 total yards rushing. Ellsworth also completed five out of 10 passes for 23 yards.

Mike Wight, Mark Wight, Brad Wight, Bruce Swan, Jeff Fleet, Jack Taylor and Larry Bennett played an outstanding defensive game for the victors.

Monmouth 0 0 0 0-6
Telstar 14 0 6 6-32

Scoring: T-Olson, 12 yd. run (rush failed); T-Elsworth, 3 yd. run (rush failed); T-Holt, 3 yd. pass from Ellsworth (rush failed); T-Webster, 4 yd. run (pass failed).

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The T. R. I. F. road on Grover Hill is near completion for this year. We will not be able to fully complete the section we planned to do as the funds have been expended.

We are devoting considerable time investigating old roads within the town. The information gathered by this research will be invaluable to the town as we have very little knowledge of our rights of ways and in many instances we are not sure if the roads still are the town's responsibility to maintain. We have a surveyor working on the project. He will furnish us data that we will compile and place in order so that the information can be found in the future. We have many questions asked us by land owners as to what the status of roads leading to or past their property is. It is becoming increasingly important they have this information as in some instances they are using these roads for access to their land.

CHARLES CHAPIN RECEIVES FIRST GOULD ALUMNI AWARD LAST SATURDAY

The president of the Gould Academy Alumni Association, Mrs. Ann (Hastings) Morton presented the first Gould Academy Alumni Award to Charles S. Chapin at the Gould Alumni Banquet last Saturday evening.

This citation read in part:

"In this, our first occasion of the award, we gladly announce the recipient as a man who after graduation from Gould Academy in the Class of 1930, entered the U. S. Army Air Force for five and a half years of service in the Pacific Theater and was stationed at Pearl Harbor at the time of the bombing. As a Master Sergeant he was offered an OCS opportunity, but after much deliberation decided against an Army career. The gentleman that we honor tonight has been a Master Shiner, is a member of the Bethel Chamber of Commerce, is a Corporator of the Bethel Savings Bank, and has been outstanding in his support of local civic activity. He has supported strongly the Boy Scouts, the Girl Scouts, the Little League, Dollars for Scholars, offered his place of business for charitable organizations and for over twenty-five years has been a familiar face and personality in our community. We feel that Mr. Charles S. (Pete) Chapin certainly reflects all that is important to Gould Academy and we so honor him tonight by making him the first recipient of the Annual Alumni Award."

HEALTH AND SERVICE COUNCIL TO MEET OCT. 11

GREENWOOD CITY

— Mrs. Collata Morgan, Corres. —
As I have just returned after 10 days with friends in North Haven, Maine, in my thoughts, the sea keeps rolling in upon the shore. I see again the late September sun sinking behind a bank of clouds. The growing chill at once creeps out of the tangled woods and across the waters. In the distance cathedral-like firs and spruces point to the sky.

Once after a pleasant day at the beach I climbed to a lonely spot atop a hill overlooking Penobscot Bay. The Camden Hills towered, black, while lights twinkled at their feet. Other islands were visible in the mellow light. The outline of a lone spruce trunk, like a sentinel at his post, was at the edge of a near obscurity, and up the sides a gentle shimmer of light reflected from the rippling waters of the cove. The ripples came to lap the beach, then dissolve with a murmur. A stillness then prevailed. The night itself was serene. The stars seemed low enough to tangle in the whispering trees. The air became cool with dew. What an evening; so beautiful and uncaring, with shadows to spill in the harbor; light, water, air!

At some time, every day, we hunched on the beaches where we saw on reefs of rock, gulls standing amid the golden filigree of sea weed, white against the purity of the day. Close, above the blue sea, with its silver ripples, flew the terns, come in V formation. Two loons came by and gave their cry, their white breasts, unusually conspicuous above the water. They seemed twice their size; probably due to mirage. The loon is an inquisitive bird. He swims quietly and looks warily from side to side, now and then stopping in his course, or observing to one side, then advancing, until, satisfied, then he goes elsewhere. Some times the du they make resounds in the distance. The night sound is startling, sounding like a child in distress. Their most common cry has variations; notes are short and crisp, while again at night there is a softness over the water, a voice full of tenderness; coming like a mother to her young. Three loons came in very close; visited us for a while then vanished.

The surf when windy, creates an uproar that is almost continuous. The waves clamped under the lash of wind and cause the zone of breakers to resemble boiling milk. I love to watch them. Wherever one looks there is surprise and delight.

Sometimes near shore there were huffheads and other water birds. The harbor seals amused us on Southern Harbor but when we took "Nymph" to go near for pictures they were gone except for a peek from the water at times.

We were where we could see the sunrise and sunset from our home on the island. They are rivals in charm, presenting us the water surface and mountain masses with a beauty that forever changes with the winds and clouds. The flooding light of morning and the bath of gorgeous glow in the evening will long be remembered.

Although the seasons were not as beautiful there as in June there were still roses by the beaches in places, and more asters and golden rod than near home, also a few Larkspurs, bearing their shoving heads. The two, new to me, were the pink turtle head and the pink pearl words. I saw have a red of each in my garden.

I have now seen North Haven in summer and fall. Then the coastal rocks were covered with lichens spreading like thin waters trailing their roots into the fissures of the rocks. I may some day see these same rocks and lichens white with foam or snow. How changed the beaches would be! And what of the gulls? Do they still gracefully glide with effortless beauty outlined against the deep blue sky, piercing the air with their awesome call, dipping to the water as a feather might fall, standing motionless, seemingly carved from stone, forever by the sea?

Mr. and Mrs. Roland Hayes, Elmer and Gertrude Hayes were in Hyde Park, N. Y., for a few days last week, visiting Mr. and Mrs. Edwin Hayes.

Ann Hill visited Nancy Hatten over the week end and they attended the ball game in Boston.

Mildred Newman is a patient at Stephens Memorial Hospital.

Mr. and Mrs. Gloria Hayes and Mrs. Gladys Hayes were at the Hayes home.

GEORGE A. OLSON,

tended Woodmen's Day at Fryeburg Fair Monday. Terry Wilson said he likes the woods so much that he and his wife went also.

Bob, Mona, and Alan Lowe went to Fryeburg Fair Sunday.

Pete Jones did a very good job moving along the road this week.

Joe Robiller has put a metal roof on their house. It shines like a glass bottle through the trees.

Recently I read an article extolling the virtues of a wood stove which made me want to rush out and buy one. Just in time I remembered how it REALLY was. They don't seem all that glamorous when I recall sitting with my feet on a Sears Roebuck catalog because the floors were so impossibly cold early in the morning.

Nothing ever happens in a small town, but what you hear makes up for it.

NORTHWEST BETHEL — Mrs. Louise B. Chapman, Corres. —

What's better than taking a ride on a beautiful fall day? Taking a ride and ending up at a fair, of course. Approaching the fair, the first thing that catches the eye is the ferris wheel, and as you get a little closer, the music calls you to the gates like "pied piper." There is something about the sounds and smells of a fair that seem to capture you as soon as you enter, and refuse to release you until you leave. The happiest feeling I have is seeing the little ones on the merry-go-round riding up and down all by themselves, looking for a familiar face as they go around, and seeing it smile and wave. The saddest feeling I have is watching the forlorn face of a little one as he watches his newly purchased helium balloon float into the sky and disappear. The daylight changes to dusk, the fair begins to light up and from a distance sparkles like Christmas tree lights as the rides go up and down and around and around. It's hard to think of Fall without thinking about a fair, it's harder to get through the season without being lured to one.

The "back side" was well represented Monday at the Fryeburg Fair with John Laban, Mr. and Mrs. Frank Benson, Edie Smith, Christine, Dennis, and Andy, Franklin Chapman, and Mary, Mr. and Mrs. Ernest Angevine, Howard Chapman, and Vince, and Mr. and Mrs. Alan Chapman, Sarah and Alison.

referred to the Buildings and Grounds Committee for their consideration and recommendation.
Following discussion with regard to statutes relating to the funding of public education and the Vocational Education Region, Supt. Basil Kinney recommended that the Oct. 15 board meeting be held jointly with the municipal officers of the S. A. D. 44 towns to share knowledge on these matters. The board concurred in the recommendation.
The board approved the employment of a secretary for the Co-Operative Education Program through the aegis of the Maine Manpower Security Commission for a period of six months, at no expense to the District.

Directors not present at the Monday session were: Leon Akers, Andover; Clarence Remington, Bethel; and Paul Wight, Newry.
Staff members present: Brian Flynn, Edward Flynn, Howard Wallen, Bernard Gutcheil, James Johnston, and Charles Johnson III. Others present: Mrs. Nancy Morrill, and Cathy Fiske, Student Council Representative.

The next board meeting will be at Telstar Regional High School on Monday evening, Oct. 15, at 7:30.

JAZZ COMBO TO APPEAR

AT GOULD OCT. 7
The Daphne Hellman Trio, a jazz combo, will appear Sunday night, Oct. 7, as the third presentation of the Gould Academy Concert Lecture Series.

A guitar, a harp, and a bass violin make up the nationally famous group. Selections from Bach, Charlie Parker and Leroy Anderson will be played at this exclusive engagement.

The program, which will be held in the Bingham Hall Auditorium at 7:30 p. m. is open to the public.

THIRD GRADE PARTICIPATING

IN "TREAT OF LIFE" PROGRAM
Again this year Shirley Merrill's third grade, Crescent Park School, is participating in the annual UNICEF "Treat of Life" Program from Oct. 1 to Nov. 21.

The United Nations International Children's Educational Fund is an organization whose purpose is to provide all necessary aid, medical and otherwise to needy children and mothers around our world.

The "Treat of Life" Program, one of the many ways of working for UNICEF, requires that labels, wrappers and packages of certain products be collected and turned into UNICEF for redemption for money. This money is used to give a "treat of life" to the millions of people in our world whose lives are threatened by disease and other deficiencies.

This year the companies of the following products are paying the following amounts of money for each of their products' labels that are collected. In collecting this, one must save the specified parts of the labels from these products. The following include all the products that labels will be saved from:

Blue Bonnet Margarine, 1c for each large picture of "Blue Bonnet" on any package; Chockles, Chockles Baggies, 25c for every front panel from box; Dentyne and Trident Gum, 1c for every empty outer wrapper (Note: Dentyne Bonus Pak or Trident Value Pak wrappers count as two regular wrappers); Kool Aid Brand Soft Drink Mix, 1c for every two empty packets; Royal Desserts, 1c for every front panel from box; Welch's Juice or Jell-O Preserves, 5c for every label.

In the project at C. P. S., the third graders will be keeping daily records of how much money they've earned for UNICEF. The entire community is invited to participate in this program. Please help by saving the wrappers, etc. from any of the mentioned products which you use. Simply give them to any child who is enrolled at Crescent Park School or bring them to the school yourself. Bring all that you have. The students want UNICEF to have every penny that they can get.

MINI-REBELS WIN FIRST TWO

Telstar's Mini-Rebels (junior high football team) under the tutelage of Head Coach Gerald Durgin and volunteer assistant Bruce Buckland, have won their first two games by downing Lisbon's Mini-Greyhounds 14-0, and Messalonskee's Mini-Eagles 30-0.

In the opening game last Saturday left halfback "B.G." Flynn opened the scoring when he took a handoff from quarterback Scott Smith, and behind some solid blocking by an aggressive forward wall (made up of left end, Teddy Reed; left tackle Steve Walen; left guard, Mark McInnis; center, Tim Rosenberg; right guard, Andy Evans; right tackle, Eugene Kelly, and right end, Bobby Seames) he cut to his right and raced untouched 25 yards down the sideline to paydirt.

Right halfback Greg Tyler skirted his own left end for the two point conversion.

With the score 8-0 and midway through that same second period, fullback Andy Cummings sprinted 18 yards off his own right tackle to end the day's scoring.

A solid team defense led by Andy Evans, Mark McInnis, "B.G." Flynn, Greg Tyler, Bobby Seames and Mike Brooks stymied the Lisbon attack.

In the second outing the Mini-Rebels continued their winning ways and solid defensive play by completely dominating the Mini-Eagles from Messalonskee. The defensive unit led by hardcharging middle guard Andy Evans, opened the scoring in the second period when Evans blocked a punt deep in Eagle territory and

NEW CHURCH AT ANDOVER

TO BE DEDICATED OCT. 7

In October 1964 Rev. Nathaniel Pearson and a small group of followers left the First Congregational Church of Andover and worshiped in a former schoolhouse at East Andover until land could be obtained and a church built.

On Oct. 7 the dreams will come true when a partially built church will be dedicated.

Several landowners offered land but the site chosen was on the David Smith Sr. land at the beginning of the Mile Flat on Route 5. The site is 1 1/2 acres and the building is 36x55 feet with a separate furnace room 10x12 feet attached at the rear of the building.

At the time the group started services in the former schoolhouse, the East Andover Community Club was sponsoring a Sunday School for that section of the town. Marjorie Stinson was superintendent. The Community Club continued to sponsor the Sunday School until 1967 when it was turned over, with the use of the supplies and furniture, to the Calvary Congregational Church. During the past nine years the following have been leaders and assistants of the Sunday School, Marjorie Stinson, Edna Smith and Janice Wells.

In August 1970 Rev. Pearson was fell on the ball in the end zone for the first touchdown of the game. B. G. Flynn rushed the two point conversion to put the Mini-Rebels in front 8-0. Midway through the second quarter left halfback B. G. Flynn blasted through an opening on the left side created by Mike Rosenberg, Mark McInnis and Steve Walen, cut to his left and scampered 20 yards to the end zone for the second score. Quarterback Scott Smith took it in for the two point conversion, making it 16-0.

After a blocked punt by Teddy Reed and a series of penalties—B. G. Flynn found an opening on his left side, eluding defenders and running 35 yards to the Mini-Eagles one yard marker.

A five yard penalty nullified right halfback Greg Tyler's first attempt but on the second try he blasted six yards over Mike Rosenberg, Andy Evans and Gene Kelly for the third touchdown.

The try for a two point conversion failed and the score stood 22-0 at half time.

The final score of the game came early in the third period on a spectacular pass that found right halfback B. G. Flynn throwing a perfect "bomb" to right end Bobby Seames. B. G. tossed the ball 25 yards to Bobby who made a beautiful catch at the 20 yard line and sprinted untouched into the end zone.

With the score at 30-0 Coach Durgin emptied the bench and Telstar's seventh graders played most of the third and fourth quarters.

The Mini-Rebels travel to Jay Livermore for a 6:30 meeting encounter on Wednesday, Oct. 10, at Jay High School's newly lighted field.

Presently, the remainder of their schedule finds them at Lisbon for a rematch on Saturday, Oct. 13 at 8:30 a. m. and at Messalonskee on Tuesday, Oct. 16 for a 3:30 p. m. contest.

replaced by Pastor Lester Strout of Bangor. He will be ordained on Oct. 5 at 7:30 p. m. in the new church.

The group that formed the congregation have been very active. Activities included a Junior choir and robes were made for this group. A Senior Choir and the robes were purchased. A Senior Youth Group under the leadership of Pastor Strout, a Junior Girls Club with Barbara Meisner, Norma Farrington, and Marion MacKenney, leaders; a Senior for Girls Club, Janice Wells; Senior and Junior Boys Clubs, Pastor Strout, Robert MacKenney and Edna Wells. The Tuesday morning Women's Bible Study Group met at various homes and the second Tuesday of each month this group met accompanied by Pastor Strout held service at the Cozy Inn Nursing Home at East Rumford.

A "Singspiration" was formed with five area churches participating. They met the first Sunday of each month alternating churches.

A bus was purchased in 1970 to transport groups to various church activities and for each Sunday morning for Sunday School pickup. Four or five alternated as drivers with one adult or a senior Sunday School pupil as helper.

At present the Sunday School has an enrollment of approximately 40 with ten teachers and helpers and three substitutes.

There are 33 members of the church and at the April meeting the following officers were elected. Pastor, Lester Strout; Clerk, Lorea Simmons; Treasurer, Marilyn G. White; Deacon, Clarence Bailey; Deaconesses, Edna Smith and Edna White; Trustees, Ronald White and David Smith Sr.; Choir Director, Marjorie Stinson assisted by Marilyn G. White with Beverly White, Pianist, assisted by Diane Meisner.

Last week Beverly White purchased partially a Steinway piano for Mrs. Ernest Combs, who is 80 years old and resides at East Andover for the church. Mrs. Combs donated the other part of the expense.

At present the basement of the building will be used. The people of the church are being stored up the main sanctuary is completed.

Ronald White, chairman of the Building Committee, is pleased that all bills have been paid and that the church did not have to borrow any money. With the help of all workers the building will be ready for the dedication on Oct. 7 at 7:30 p. m. The Sunday School will be in the usual hour at 9:30 and the regular morning service will be at 11:00 a. m. with special music for guests.

The 4 C State Conference will be their meeting beginning at 10:00 a. m. on Oct. 6.

A very large attendance of town guests is expected to participate in the activities of Oct. 6 and 7. All services are open to all.

RESOLUTIONS OF RESPECT

Once again death has taken from us a member and faithful worker of our order. We mourn the loss of a God-loved member but rejoice that God, knowing her tasks here on earth to be complete, called her to enter a higher life where sorrow and sorrow are no more.

Resolved: That Round Mountain Grange extend to the bereaved family and other relatives of our sister our heartfelt sympathy and point them to our Heavenly Father for comfort in their hour of sorrow.

Resolved: That these resolutions be placed on our records, that they may be sent to the family of our sister, and one sent to the Oxford County Grange for publication in our charter be signed in testimony for their days.

"There is a flock, however small, that has no dead lamb in there." There is no funeral, how ever desired.

Not long, one vacant chair!"

SIX BETHEL YOUTH WORK IN CONSERVATION THIS SUMMER

Six young men and women from the Bethel area were among thirty young people involved with the Youth Conservation Corps during the past summer on the White Mountain National Forest. The Youth Corps is a nationwide effort to involve young people in working with and understanding natural resources on public lands.

Conservation Corps workers at the Bethel Ranger Station were Ellen Clark, Brenda Smith, Robin Doon, Gary Wright, Ed Kennett and Ernie Chapman. Don Feecey is the group foreman overseeing the work activities and making sure that everyone works safely. Speaking of the work that the group does, Don stated, "We try to involve the group in worthwhile projects that are of benefit to both the National Forest and to the individual workers. Each project is a learning experience as we try to understand how the project affects the environment." When not working for the Forest Service during the summer, Don is an instructor at Gould Academy. The Youth Conservation Corps has been a popular summer activity throughout the country on National Forests. Each participant is paid \$11.50 per day for eight hours of good work. And work they do as Ellen Clark named off the long list of jobs they have completed. "We have worked on all sorts of jobs including trail maintenance, apple tree release, repair of trail shelters, we replaced a pump in Basin Campground and cleaned campgrounds." Checking shelters in the backcountry and doing trail work seemed to be the groups favorite activity. Gary Wright pointed out that it wasn't all work and no play in that, "We've seen some wildlife including moose and deer, hunted for armadillos, and learned quite a bit about the ecology of the forest. We also traveled around on field trips to such areas as the fish hatchery in Berlin and the State Parks."

John Anderson, District Ranger for the Evans Notch District had the following comments to make about his crew of Youth Corps workers. "Many of the jobs that the Youth Corps workers do are helpful to us because we don't have the manpower or money to do them otherwise. We feel that these young people are learning good working habits and taking valuable knowledge back with them when they return to their schools and homes, and that's what this program is all about, to make more young people aware of the importance of their valuable natural resources."

Youth Corps workers are selected from local high schools. Indications are that the (YCC) program will be expanded on the White Mountain National Forest next year giving more young people the opportunity to work with and learn about natural resources.

Add a little music to your life.

Suet Feeder \$1.85

Seed Feeder \$4.45

There's a lot of noise in this world we could all do without. But there are a couple of things almost everyone likes to hear; the sound of happy people and the music of birds singing in the morning. Which is why we're doubly pleased to be able to offer you either of these two bird feeders for just a few dollars each. Because they were made at the Sheltered Workshop at Pineland Center in Pownal. So when you buy one or both you'll not

only bring a little music into your life, you'll also help a group of Maine people who deserve all the support and understanding we can give them.

Drop by our bank tomorrow and pick up your order form. And while you're here, take a look at both the sample suet feeder and seed feeder you'll find on display. When you do, we're pretty sure you'll agree, buying one is a sound investment for a lot of good reasons.

The following persons were reported to the nominating committee: Mr. and Mrs. Troy Moore, Mr. and Mrs. Hugh Chapman, Reginald Godwin. They will report at the Nov. 6 meeting. Let's all make it to this meeting on the man you want for the job will be nominated.

MILDER WINTER GOOD FOR DEER HERD

A "milder than normal" winter has resulted in fewer deer wintering here in Maine's deer population than last year, according to Chester Banasick, big game research leader for the Maine Fish and Game Department.

Banasick said that net gains in the deer population to the southern and central portion of the state are very evident to Fish and Game Department field personnel, but the herd in the northern portions of Maine is still recovering from losses sustained during two recent severe winters. The deer season in the northern zone has been shortened one week for this reason, Banasick said.

WEST PARIS MAN BIG WINNER AT FRYEBURG FAIR

WOODSMAN EVENTS MONDAY
Monday, Oct. 1, at the sixth annual Saco Valley Woodsmen's Field Day, held at the Fryeburg Fair, area residents were able to bag four trophies and seven ribbons.

Dick Brown, West Paris, took three of the first place trophies, one each for pulp and log loading, and shared a third with Robert Babb, Windham, for the best all around in equipment competition. Alan Chapman, Bethel, took the fourth first place trophy for tree felling. Winner of two ribbons, a second place in pulp loading, only 2 of a second behind Brown, and a fourth place in the log loading was Elbridge Buck of Bryant Pond. Rex Thurston, Andover, got a fourth place ribbon in the class "C" Open To The World Chainsaw Steeplechase.

Bounding out the figure was Alan Chapman with three more ribbons, a fifth place in two man log rolling with Ira Stevens, Perkinsville, Vt., as his partner, a sixth in two man cross-cut sawing with Richard McIntosh, Bovina Center, N. Y., as his partner, and a sixth place ribbon in the Class C Open To The World Chainsaw Steeplechase.

The field day, easily the biggest in the east, has become an annual "Loggers' Holiday," a gathering of the loggers, equipment dealers, pulpwood buyers, and representatives from the pulpwood mills and National Forest Service. This form of competition although changed now with the addition of chainsaws and pulp trucks is as old as "Paul Bunyon" himself.

Old timers will tell you that lumberjacks used to compete among themselves with their axes, bucksaws, and crosscuts as a means of earning tensions and as a form of entertainment in the logging camps, and going to the Fryeburg Fair, it's easy to see that the spirit of competition is as strong today as it was yesterday.

Mr. and Mrs. Richard Stevens, Mr. and Mrs. Ronald Stevens, climbed Mt. Caribou on Sunday.

SPRUCE MOUNTAIN DIRECTOR SPEAKER AT NORTHEASTERN U. ENVIRONMENTAL CONFERENCE

William T. Harty, Director of Spruce Mountain Environmental Educational Center, Bryant Pond, was a speaker last week at the Environmental Education Conference held at the Warren Center of Northeastern University in Ashland, Mass.

Mr. Harty spoke on the subject of how to initiate and administer a school-camp environmental education program. He pointed out that there has been a dramatic increase in recent years in the number of school systems that have been making the values of a resident camping program available to their students at some level in the curriculum.

Such programs provide an important supplement to classroom instruction by teaching in the outdoors those topics that cannot be as well taught indoors. Students participating in such programs, many of whom are experiencing a week away from home for the first time, have been found to grow in three major understandings: greater understanding of themselves as individuals, greater understanding of others and greater understanding of the natural environment and how many may begin to develop a cooperative working relationship with it.

The Ashland Conference was sponsored by the Massachusetts Audubon Society and the New England Camping Association and was attended by educators from throughout New England and New York. Members of the Spruce Mountain teaching staff participating in other phases of the Conference were Maureen Glancy, Elizabeth Clinton, Carol Gentry and Brian Gallagher. In recognition of his work in environmental education, Mr. Harty has been included in the recently published edition of "Who's Who in the East."
